

PROJECT HIGHLIGHTS

Prince George’s County Public Schools (PGCPS) is embarking on an ambitious project to design, construct, finance, and maintain 8 new schools. This initiative, known as the Phase 2 Project, is part of the Blueprint Schools Program aimed at providing modern, sustainable educational facilities. The project is being developed by Progressive Education Partners (PEP) and involves a public-private partnership (P3) model.

The new school will span approximately 107,905 square feet, providing a modern and spacious environment for students and staff. The construction is expected to be completed by July 2026, ensuring that the new school is ready for occupancy for the 2026-2027 academic year. Throughout the duration of the project, we will provide numerous opportunities for community engagement and participation. Regular updates will be shared to ensure that the community remains informed about our progress and key milestones achieved along the way. Please visit our website at www.pepblueprintschoolsP3.com for more information.

Thank you all for showing your support!

CONSTRUCTION ACTIVITY

Templeton Elementary School is undergoing a significant transformation. The existing Templeton Elementary School has been demolished to make way for a new, state-of-the-art facility. There will be an increase in site activity, and we have taken measures to control sound pollution. Noise levels to be monitored as well.

Construction Observation:

- Building Envelope
- Mechanical, Electrical, Plumbing Rough-ins
- Waterproofing, Brick Facade
- Site work, Retaining Walls
- MEP systems set up
- Building Roofing
- 59th Ave storm water upgrade
