

PROJECT HIGHLIGHTS

Prince George's County Public Schools (PGCPS) is embarking on an ambitious project to design, construct, finance, and maintain 8 new schools. This initiative, known as the Phase 2 Project, is part of the Blueprint Schools Program aimed at providing modern, sustainable educational facilities. The project is being developed by Progressive Education Partners (PEP) and involves a public-private partnership (P3) model.

The new school will span approximately 117,025 square feet inclusive of a parking garage, providing a modern and spacious environment for students and staff. The construction is expected to be completed by July 2027, ensuring that the new school is ready for occupancy for the 2027-2028 academic year. Throughout the duration of the project, we will provide numerous opportunities for community engagement and participation. Regular updates will be shared to ensure that the community remains informed about our progress and key milestones achieved along the way. Please visit our website at www.pepblueprintschoolsP3.com for more information.

CONSTRUCTION ACTIVITY

Hyattsville Elementary is welcoming its new home! The existing Hyattsville Elementary School is preparing to be demolished, and the new Hyattsville ES is ready to take shape with a new state-of-the-art facility. The construction for the new school will begin in June. There will be an increase in site activity, and we have taken measures to control sound pollution. Noise levels to be monitored as well.

Construction Observation:

- Building Demolition of the Existing School
- Earthwork/Excavation and Haul trucks
- Site Grading & Utility installation
- Building foundation and geo-piers
- Utilities and Pepco work
- Building foundations
- Temporary Lane closures – NOTE: One lane of 43rd Ave will be closed during construction.

Interested in working on the construction site?

Check the Project Bulletin Board at the site for applications and contact information or visit our website at www.pepblueprintschoolsP3.com

CONSTRUCTION SCHEDULE

Work Hours: 7 A.M. to 9 P.M. Monday through Saturday

Construction Start: June 2025

Anticipated Construction Completion: Summer 2027
